How would you feel about a 4 day school and work week?

What would be the positives?

What would be the negatives?

Using the skills you have gained from the Discussion Writing unit in English, we would like you to create a Balanced Argument about whether there should be a four day school/work week.

You can choose from either of these options...

A poster (combining text – your ‘for’ and ‘against’ paragraphs – and pictures)

A video (you can film yourself speaking about this topic).
