

English Home Learning

This week your task is to write descriptive sentences based on two contrasting pictures. As we are writing a RESTAURANT response this week we have chosen food as our theme.

First, write the most detailed descriptive sentences you can compose with reference to how DELICIOUS the food looks in the first photo. Next, write CONTRASTING sentences with reference to how UNAPPETIZING the second photo looks (Mr Twit's wormy spaghetti!). Think of evidence to back up your judgement e.g.

The red, juicy strawberries were simply divine as they had been freshly picked that morning.

-Write one short paragraph for each picture; each paragraph should be between three to five sentences.

-Try and use a selection of simple, compound and complex sentences.
