

In Year 6, we have been learning to talk about where we live and our house. We have also been making words plural and using negatives and connectives to enhance our work. To practice the key vocabulary at home please use the following websites:

www.linguascope.com (username and password have been emailed separately to parents)

Click on beginner, the French flag, Mon environnement, **Ma maison**

Click on beginner, the French flag, Moi et ma famille, **Où j'habite**

www.languagesonline.org.uk

Click on français, then scroll down to **unité 3**, complete **exercices 12-17**.

Remember to click on **verifie** to check your answers and **prochain exercice** to move on to the next activity. You may have to use an online dictionary or the process of elimination to work out some of the words which we haven't done in class.

Please complete the **MY FRENCH WEBSITE LEARNING LOG** whenever you attempt any of these activities.

Next week we are going to be moving on to describe our bedroom.

If you would like to learn some of these words before the lesson then use the following link:
