

Science Homework Set: 14/4/19 Due: 21/4/19

WALT: Show off your understanding of Science Areas covered this year

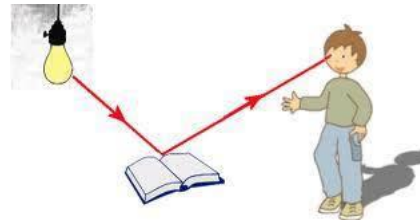

So far in Science this year we have covered the following topics:
Light, Electricity, Living Things

This week for Homework, we would like you to create a **Poster** or **Google Slide** to show off your understanding in one of these areas.

For Electricity, you could draw circuit diagrams and show off your understanding of the different symbols.

For Light, you could draw Light Diagrams, showing the incident ray and the reflected ray, or explain Refraction.

For Living Things you could draw a Food Chain or a Classification Key, or explain how some animals and plants are adapted to live in their Habitat.
